Heart to Hand Studio is an award winning Fine Art, Craft and Design Studio, established in 1983 by David Schut and life partner, Monica O'Halloran-Schut. The words, "Heart to Hand" (Croi go Lamh in Irish Gaelic), perfectly describe the philosophy behind the creative pursuits they have both been involved in for so many years.

Copper, Silver, Wood, paintings and textiles play a part of where they cross pollinate their inspiration and talents.
