

# Petite Pet Hospital & Wellness Centre

Listing URL: <https://www.lunenburgdistrict.com/map/pets-animals/petite-pet-hospital-wellness-centre>

We are a full service animal hospital providing preventive, interventive and individualized care. This includes internal medicine, surgery, dentistry, digital X-ray imaging, parasite prevention programs, nutritional consultation and all-life-stage care. Emergency, critical care and housecall services are available. Our mission is to keep animal companions happy, healthy and pain-free for as long as possible.
