

# Safeguard Chimney Sweep & Stoves

Listing URL: <https://www.lunenburgdistrict.com/map/shopping/safeguard-chimney-sweep-stoves>

Family owned and operated for 30 years. Safeguard Chimney Sweep & Stoves is a family run business started by Glenn and Tamara (Tammie) Mason in 1988.

Glenn is a Solid Fuel Space Heating Technician and Certified Chimney Sweep. Most importantly Glenn has been WETT Certified since 1990, which was the first year the certification was introduced. Tammie is the heartbeat of the office, keeping the accounting and finances on track and in-sync with the sales dept. Much hard work over the past 30 years has gone into developing a large and loyal customer base that respects and continues to rely on the exemplary services of this locally owned business.
